MAAMI
HOME

Fiji is a work of art in the bathroom space — Carrara marble washbasin, based on a two-legged hand carved walnut base. One of the bestsellers of the MAAMI HOME bath collection. This series is available with washbasin in arabescato marble and support in nigh blue lacquered with satin finish. The width of the sink cavity in this model is entirely dedicated to the function of the washbasin, but it managed to include a narrow surface for the placement of accessories.
