

Fiore Azul

MAAMI
HOME

FIORE AZUL is our interpretation of the weight of marble transformed into an expression of raw light, all the while encapsulating the versatility of stone. The crafting of FIORE AZUL challenges the boundaries of marble. The stone is carved to a finely balanced limit in order to fully appreciate the translucency of the quartzite, resulting in a luminary masterpiece that bathes the space in cold light with low glow.

Name Fiore Azul
Category lighting
Designer Fábio Teixeira
Year 2019

Materials & finishing Base in turned aluminum.
Top in honed matte finish quartzite.

Production details Quartzite shaped in a 5 axes CNC and finished by hand. The base is made from aluminium.
