

Fiore Estremoz Rosa

MAAMI
HOME

FIORE is a lamp designed for comfortable spaces. With a disconcerting simplicity, FIORE ESTREMOZ ROSA is made of aged brass and estremoza marble stone, and the scenic light it projects has been thought of in detail.

FIORE represents MAAMI HOME's vision of transmitting all the versatility of marble stone. Despite the robustness of the material, MAAMI challenged the limits of marble by excavating the stone to explore its translucency. The experience of functionality and contemporaneity is part of the brand's DNA.
