

Grammi S Calacatta

MAAMI
HOME

The GRAMMI S sideboard is a more compact version of GRAMMI. Its straight and orthogonally arranged lines make it an elegant piece of furniture with two drawers. The lacquered steel pedestal supports a contemporary volume, characterized by the original and vivid pattern of marble.

Name Grammi S Calacatta

Category sideboard

Designer Fábio Teixeira

Year 2014

Materials & finishing Sideboard in MDF cloud white lacquered, feet in steel antracite lacquered and textured finish. Marble fronts with honed matte finish.
