

Half Pipe Rosso Levanto

MAAMI
HOME

The Half Pipe accessory combines functionality with aesthetics, making it an excellent and sophisticated marble accessory for any desk or office. Each Half Pipe is individually carved by our artisans in the marble of your choice. The Half Pipe is also a perfect and practical paperweight with instant visual appeal in any office.

The Half Pipe Rosso Levanto is carved in stunning, unique Rosso Levanto marble. The hues of Rosso Levanto stone are reminiscent of wine in its various stages of evolution and ageing, and is an extremely luxurious marble choice, for standout appeal in any room. The sophisticated choice for any desk, the Half Pipe Rosso Levanto pen holder is ideal for marble-lovers seeking a desk accessory which is dramatic, striking and luxurious, all at once.
