MAAMI  
HOME

**LINK COLLECTION** is a sustainable bathroom set made from factory off-cuts of Moleanos Limestone and Chocolate marble. The collection includes low and tall containers, a tumbler, soap dispenser, reed diffuser holder, tray, and a two-piece soap dish—all featuring a consistent angled rim detail that visually connects the pieces. Designed for modular stacking and easy handling, the collection highlights practical design and refined craftsmanship while promoting waste reduction through the reuse of natural stone.

**Year** 2025

**Materials & finishing** Moleanos limestone (beige-cream) and Chocolate (warm brown) marble, both sourced as factory leftovers. Walnut lids and stainless steel pump with matte black finish.

**Production details** Leftover marble cylinders are collected from the factory and shaped on a lathe machine, then precisely drilled using a GMM3. Each piece is hand-finished to ensure a refined and detailed final result.

**Cleaning instructions** Wipe with a damp cloth, or just a soft dry cloth. Do not use any type of detergent that can mark the stone and the wood.
