

# PUKA PUKA

STAND ALONE CONCEPTS

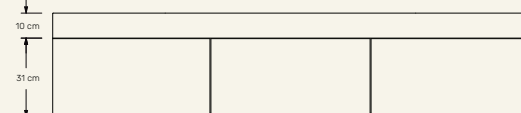

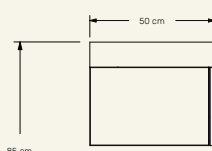

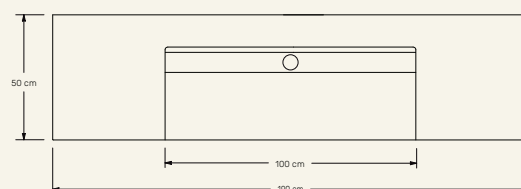

MAAMI  
HOME

The PUKA PUKA washbasin is a centrepiece in MAAMI HOME's bath collection. Carved in Carrara marble, it is wall-mounted with a handcrafted elegant walnut three-drawer veneer unit. The PUKA PUKA sink's minimalist design gives excellent stand out in any bathroom.

The sink is carved from a single piece of Carrara marble using a 5-axis milling machine and has a honed matte finish. Known for its associations with luxury, Carrara marble has shades of grey which contrast with the white background, offering an elegant and light touch to a space.

The wide sink surface is designed to offer maximum organisation space on the top for your favourite products and accessories. The cabinet is handmade by highly-experienced artisans and is finished with a natural veneer from sustainably grown and sourced wood.

PUKA PUKA is one of MAAMI HOME's customisable pieces. Get in touch with our sales team to discuss your requirements.
