

Rich Kunis Brescia

MAAMI
HOME

The 60s' aesthetics is present in RICH's design. This sideboard, from the RICH products' family, is ideal for decorating a minimal space, standing out for its vertical organization potential. RICH features three doors and inside several compartments and two drawers.

Name Rich Kunis Brescia

Category sideboard

Designer Fábio Teixeira

Year 2018

Materials & finishing Sideboard in river black oak, feet in steel gun metal lacquered with satin finish, marble fronts with honed matte finish.

Production details This structure's construction uses ancient techniques of Portuguese joinery. The marble doors are designed to remove unnecessary weight.
