

Rich LP Gris Alvito

MAAMI
HOME

From the RICH product family, RICH LP is a piece of furniture designed to integrate a vinyl player. Danish furniture from the 60's has been its great inspiration. RICH LP has a tempered glass shelf at the base.

Name Rich LP Gris Alvito

Category sideboard

Designer Fábio Teixeira

Year 2019

Materials & finishing Sideboard in river black oak, feet in steel gun metal lacquered with satin finish, marble front with honed matte finish.

Production details This structure's construction uses ancient techniques of Portuguese joinery. The marble doors are designed to remove unnecessary weight.
