

SHŌJI

MAAMI
HOME

SHŌJI is a contemplative lighting piece that evokes the quiet harmony of traditional Japanese design. Its structure is anchored in honed Kunis Brescia marble, a stone chosen for its subtle texture and enduring character. Resting within a finely striated support, a delicate Japanese washi rice-paper screen diffuses the LED light, casting soft layers of illumination that shift gently with the viewer's perspective.

Name SHŌJI

Category Lighting

Designer Fábio Teixeira

Year 2025

Materials & finishing Base in Kunis Brescia marble, honed-matte. Diffuser in handmade Japanese washi (rice paper). Warm-white dimmable LED module.

Production details Precision-machined using advanced 5-axis CNC technology, each marble component is crafted with exacting care, while the final assembly relies on the hands of skilled artisans, particularly in the delicate application of the paper and the seamless integration of all elements.

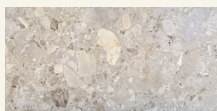

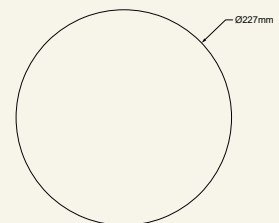

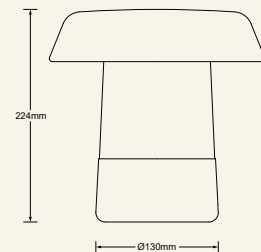

Dimensions (cm) H22,4 x Ø22,7

Weight (kg) approx 3

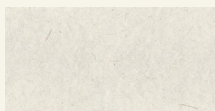

Cleaning instructions Wipe with a damp cloth, or just a soft dry cloth. Do not use any type of detergent that can mark the stone and the wood.

Packaging dimensions (cm) H30 x L30 x W30

Packaging weight (kg) approx 7
