

TILED

MAAMI
HOME

TILED is a shower base that distils the purity of geometry into warm, tactile stone. A checkerboard of marble panels—precision-cut and hand-honed to a satin touch—creates a quiet rhythm reminiscent of classic tiling, while the stone's natural striations lend organic depth to the grid. The ultra-low profile and concealed slot drain keep the silhouette crisp, turning the shower floor into an architectural statement of order and calm.
