

TORII

MAAMI
HOME

TORII CONSOLE is a minimalist piece that frames daily rituals like a torii gate in stone and wood. A hand-honed Kunis Brescia marble top rests on twin solid-oak uprights, their quiet geometry echoing the calm balance of Japanese portals. The elongated surface offers practical display space while lending a serene architectural accent to halls and living areas.

Name Torii Console

Category Console

Designer Mara Soares

Year 2025

Materials & finishing Top in Kunis Brescia marble, honed-matte finish that accentuates its warm grey-brown veining. Upright supports in solid European oak.

Production details Marble blank cut and profiled on a 5-axis CNC; edges hand-honed and sealed. Oak legs milled on precision routers, assembled with concealed mortise-and-tenon joinery, then hand-sanded.

Dimensions (cm) H120 x W84 x L45

Weight (kg) approx 50

Cleaning instructions Wipe with a damp cloth, or just a soft dry cloth. Do not use any type of detergent that can mark the stone and the wood.

Packaging dimensions (cm) H125 x L105 x W54
