

Tyre Raised Arabescato

MAAMI
HOME

Introducing the TYRE Raised Arabescato marble shower tray by MAAMI HOME, seamlessly blending luxury with practicality at the heart of your bathroom. Each tray comes equipped with a drainage system, ensuring efficient water flow and straightforward installation. Moreover, the leather finish provides an anti-slip surface, delivering safety and stability without compromising on style.

Name Tyre Raised Arabescato

Category Shower Tray

Designer Fábio Teixeira

Year 2017

Materials & finishing Shower tray in honed matte marble with a slope for water drainage. The usage area features a non-slip leather finish for added comfort and safety during use.
